

RETIREMENT PARTY FOR EDDIE KLATT

Chief Klatt has been a faithful servant to the community and the MFD for over 37 years. He is a second-generation firefighter. His father, Bill Klatt, was the third paid firefighter for the MFD and retired as Midland's First Fire Marshal in July of 1971. Eddie's family has been a part of the MFD since it was a volunteer department. If you combine Eddie's and his dad's time together, they have served this community for over 74 years. Please come and give your best wishes to him on his retirement.
